Rules for alcohol

X= no alcohol allowed

=only available to purchase alcohol on place

= allowed to bring own alcohol

= alcohol is sold, and allowed to bring own alcohol

*** Please note that selling alcohol to people under the age of 20 is strictly forbidden by Swedish law**

****At Origo and other places with an alcohol permit, they may sell alcohol to people above 18 years old according to Swedish law**

Some swedish words you'll encounter during reception

Phös/Phösare = People who organize the reception

General = People who organize the reception

Elders = Students in the year/years above

Mottagning = Reception; the period when new students are welcomed to university by their elders

Nollefrid = Means that during reception it is strictly forbidden for the elders to engage in romantic or sexual relations with zeros. This is set in place to create a safe enviroment for all new students and applies to all elders and new students on campus.

NTK = The student union for students studying science and technology

Sigma = A section beneath the NTK which includes the Life Science programme, Biotech
